

New Age
HSE Services

A New Age of
Health, Safety and Environment

Workers compensation premiums are often the largest expense after salaries. As such they significantly impact your bottom line. New Age HSE Services will guide you through how to improve your bottom line by reducing the number of injuries and shorten the time injured workers are off work. We will provide pragmatic end to end solutions that will reduce your workers compensation premium.

- ✓ Early intervention programs
- ✓ Injury reduction programs
- ✓ Injury and incident management programs
- ✓ Strategies, policy and procedures
- ✓ Compliance review of your OH&S obligations
- ✓ How to get the most from your claims agent
- ✓ Workers Compensation and public liability programs
- ✓ Advice on self-insurance licensing
- ✓ Expert witness
- ✓ Manage the tendering of your insurance
